

Conversation on Race & Healthy Equity Series

The Pursuit of Equity in Women's Health

July 26, 2018

MEETING AGENDA & OBJECTIVES

9:00 - 9:30	Welcome, Overview & Icebreaker
9:30 - 10:20	Panel Presentation and Discussion
10:20 - 10:30	Break
10:30 - 11:25	Interactive Activity
11:25 - 11:30	Evaluation & Close

MEETING NORMS

- Treat each other with dignity and respect
- Be present
- Silence technology
- Practice active listening/listen to understand
- Disagree with ideas, not with people
- Step up, step back
- Be genuine about ideas, challenges, and feelings
- Practice and experience humility - each of us may not have all the answers

GET SOCIAL!

#healthytricity

CONTEXT SETTING

Healthy Tri-County, is a multi-sector regional initiative to improve health outcomes in Berkeley, Charleston, and Dorchester counties launched by Roper St. Francis Healthcare, MUSC Health, and Trident United Way in January 2017.

The long-term aspirational goal of this initiative is to improve the health and well-being of every person and community within the Tri-County area.

BREAK

*And if you haven't already, get social!
#healthytricounty*

PAULA JOHNSON: HIS AND HERS...HEALTHCARE

Paula Johnson: His and hers ... healthcare

GROUP DISCUSSION

1. What's your reaction to the video? What is one or more key take-aways from the video for you?
2. From your perspective, how do sex and gender impact health and health outcomes?
3. What opportunities (quick wins and long term) are there to eliminate health disparities among different groups of women?

Please capture your responses to questions 2 and 3 on the provided flip charts

GROUP DISCUSSION

What are unknown or under-utilized local, state, or national women's health resources that you wish more people would access?

NEXT STEPS

Get engaged!

REMEMBER TO ASK YOUR DOCTOR
*Is this disease or treatment
different in women?*

THANKS & EVALUATION

**"I'm Not Bossy, I'm
The Boss."
- Beyonce**

**COLLECTIVELY WE CAN MAKE A
DIFFERENCE!**
