RATIONALE FOR TRAUMA SERIES

Trauma is a pervasive problem. It results from exposure to an incident or series of events that are emotionally disturbing or life-threatening with lasting adverse effects on the individual's functioning and mental, physical, social, emotional, and/or spiritual well-being.

Experiences that may be traumatic include:

- Physical, sexual, and emotional abuse
- Childhood neglect
- Living with a family member with mental health or substance use disorders
- Sudden, unexplained separation from a loved one
- Poverty and discrimination
- Institutionalized racism and historical oppression
- Violence in the community, war, or terrorism

MEETING NORMS

- Treat each other with dignity and respect
- Be present
- Silence technology
- Practice active listening/listen to understand
- Disagree with ideas, not with people
- Step up, step back
- Be genuine about ideas, challenges, and feelings
- Practice and experience humility - each of us may not have all the answers

Group Discussion

What comes to mind when you hear the phrase 'domestic violence'?

What do you think are the most common misconceptions about domestic violence?

What strikes you about the how the images below portray domestic violence?

DOMESTIC VIOLENCE

Acts of domestic violence occur every 15 seconds in the United States.

The presence of a gun in the home during a domestic violence incident increases the risk of homicide by at least 500%.

1 in 3 women and 1 in 4 men in the United States have experienced some form of physical violence by an intimate partner.

Intimate partner violence accounts for 15% of all violent crime.

Approximately 33 million, or 15%, of American adults are current or former victims.

DOMESTIC VIOLENCE IN SC

- An average of 36,000 assaults are reported to law enforcement every year in SC
- In 2014, South Carolina was the state with **THE HIGHEST** number of women killed by men
- SC has been in the top ten states **EVERY** year for the past twenty years
- In a 2017 report of 2015 deaths, South Carolina ranked 5th
- The SC homicide rate for women killed by men has been **TWICE** the national average.
